

OverDrive is integrated with some Kobo devices to make it easier to borrow titles from the library. To begin, **tap the More tab, tap Settings,...**

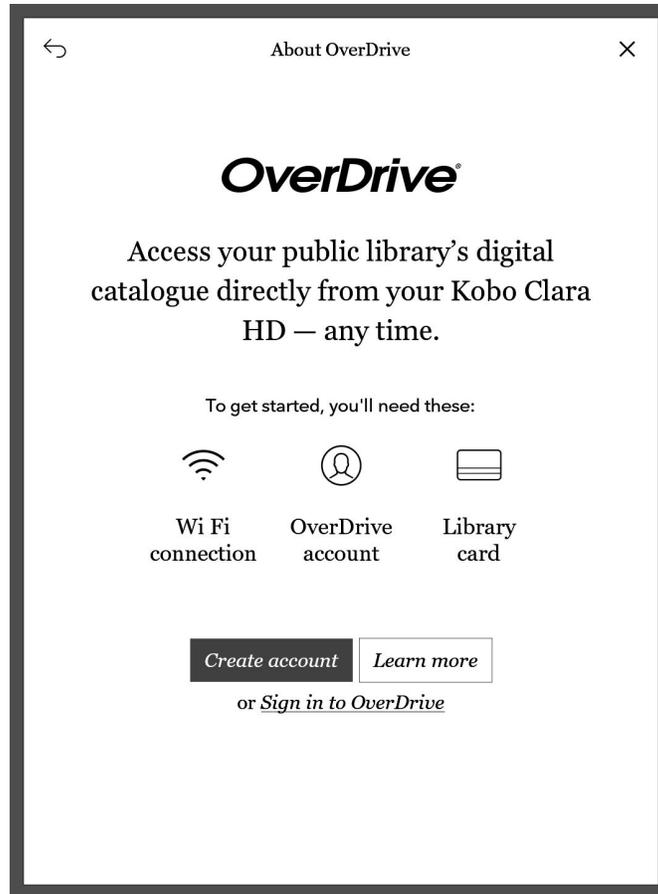

And then **tap OverDrive**. If you don't see this option, go to the Kobo - Adobe Digital Editions lesson in this tutorial.

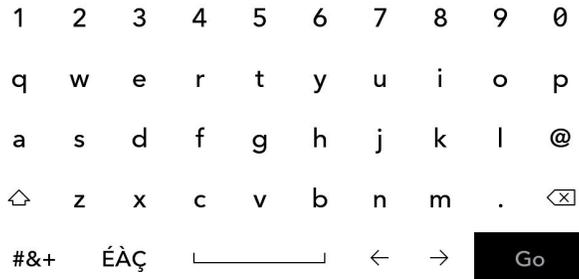

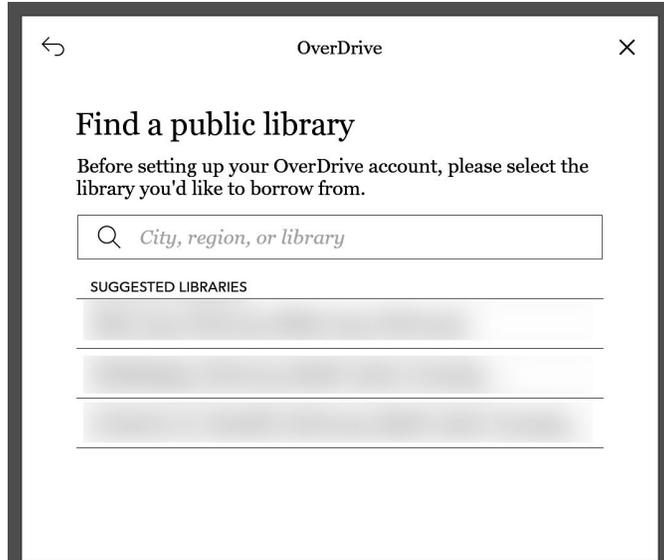

When accessing OverDrive for the first time, you'll need to sign in. **Tap Get started.**

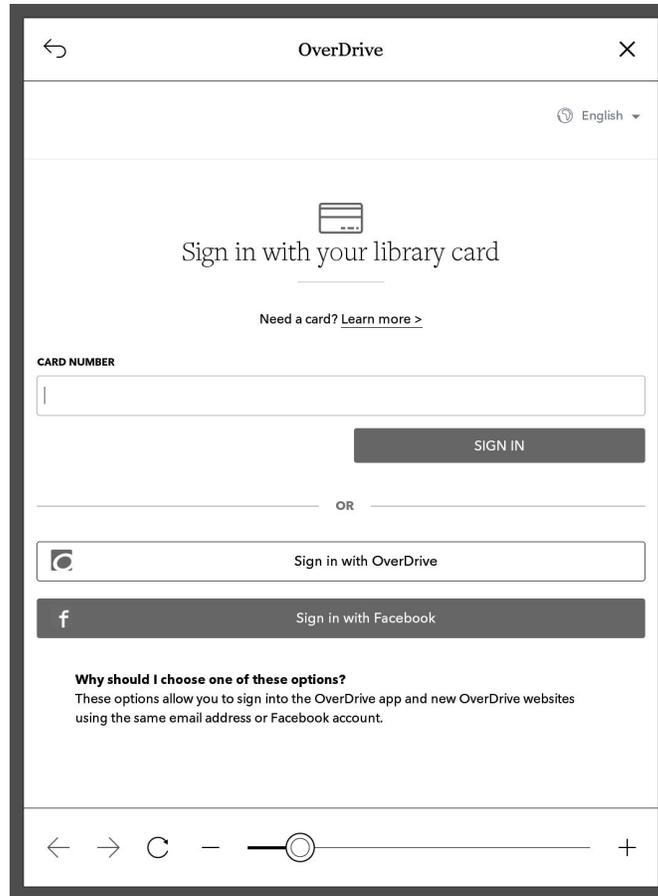

Since you are accessing OverDrive through the library, **tap Sign in to OverDrive.**

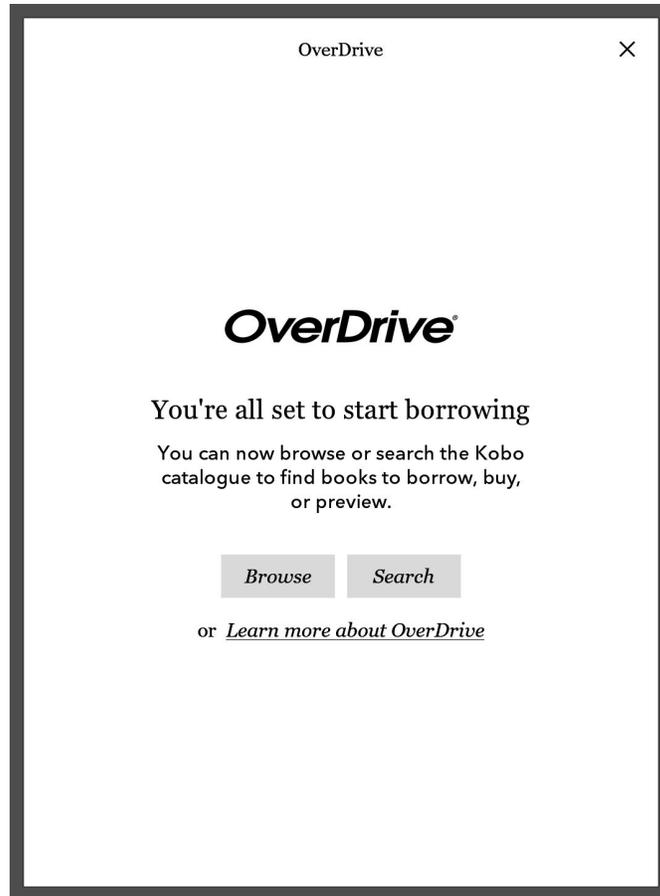

Enter the name of the library in the search box and **tap the library** when it appears.

Enter your library card information and then **tap Sign In.**

You're all set to explore OverDrive on your Kobo. **Tap Browse or Search** to look for available titles.

You'll be taken to the Discover tab with OverDrive automatically selected at the top of the screen. When you find something you want to read, **tap the title**.
