

Reference Solutions is a premier source of business and residential information. With more than 40 million businesses, 150 million households across the U.S. and Canada, and 270 million consumers available for you to search, you have access to the most current market research data available.

The screenshot shows the Reference Solutions website. The header includes the logo 'data axle · reference solutions', navigation links for 'Webinars' and 'Learning Center', and a language selection dropdown. The main banner features the text 'The premier source of information for reference and research' and 'Offers Accurate Data on 59M Businesses and 310M Consumers'. Below the banner, the 'Available Databases' section lists several options: U.S. Businesses (59 Million Businesses, 3.5 Million Closed Businesses), U.S. Historical Businesses (243 Million Historical Records), Canadian Businesses (2.1 Million Businesses), U.S. Jobs / Internships (2.5 Million Job Postings), U.S. New Businesses (2.0 Million New Businesses), and U.S. Healthcare (1.2 Million Physicians & Dentists). A detailed description for 'U.S. Businesses' is provided on the right, stating it contains 59 million businesses (16 million verified, 43 million unverified) and is updated weekly. It also lists selection criteria: Company name, Executive title, Business type, Sales volume, Employee size, Year established, and more. A 'Quick Search' link is at the bottom of this section.
